COLUMBIA HI SCHOOL BAND SCORES BIG HIT

Student Clarinetist Takes Audience by Surprise

Those who attended the concert given by the Columbia High School Band last Friday night will never regret having done so. It was one of the most interesting programs presented by a school band. Mr. H. F. Lane, director of the Columbia Band, is to be highly commended for the swell program which his students presented. His group of young musicians certainly revealed an abundance of well developed talent. The manner in which the selections were rendered, is proof that the Columbia Band is shaping itself into one of the finest bands in its classification.

The variety, in the style of the selections, offered no opportunity for monotony. For the younger ones in the audience, the novelty numbers and the "boogie-woogie" selection were acclaimed the best numbers; but, for the more matured, "Schubert's" Overture by Hildreth and the clarinet solo by Howard Bishop were the outstanding "hit" of the program. This "little fellow," Howard, is the caliber of musician that every director would want in his band. The technique, the intonation and the precision which he demonstrated in the rendition of his solo selection were most remarkable for such a youngster. James Moore, the student conductor, showed great possibilities as a conductor when he directed his band in the Overture Argentina.

Brother Casimir, President of St. Stanislaus, opened the program by welcoming the Columbia Band. Speaking to Mr. Lane, he said, "Many times I have been called upon to welcome football, basketball, baseball, but this is the first time that I have the honor of welcoming a visiting band. I congratulate Brother Romuald for bringing your band to us. I hope that your short stay in Bay St. Louis will be pleasant and that you will enjoy the kind hospitality of our people. I believe this exchange of concerts is a great step forward in the advancement of our school bands. We feel honored to sponsor this concert by your band and we hope that you will come again to Bay St. Louis."

It is believed that this is the first time, in Southern Mississippi, that an exchange of concerts has been staged. At first, it was feared that the plan might not go over so well. Now, the doubt is completely removed as the result of the grand success of last Friday's concert. It is hoped that this exchange of concerts will be made an annual affair.

Nothing was left undone to receive the Columbia guests in a befitting manner. The officers of the St. Stanislaus Band and several invited guests met at Hotel Reed for one of those fine meals that Mr. Howard LeTissier is so famous for. After the concert a luncheon was served to the Columbia people, the members of the St. Stanislaus Band and a few others connected with both organizations. The Bay St. Louis High School Orchestra, under the direction of Mr. G. F. Rooney, furnished swing music during the luncheon. This came the end of a perfect day not only for the folks from Columbia but for all of us here at home as well. We hope that our guests were impressed with the hospitality of our people and we are looking forward to another occasion when we will again have the pleasure of entertaining them.

Members will please note the change in the date of meeting.

Firm Of Monti-Carver Proposes Cash Awards For Ideas on Civic Improvements

In keeping with the trend of an awakened interest in the economic, social, and cultural betterment of Bay St. Louis and Hancock County, the firm of Monti-Carver Plumbing Company of Bay St. Louis makes public the contents of a letter addressed to the recently re-organized Hancock County Chamber of Commerce. The text of the letter is as follows:

3 December 1945

Mr. Al Voigt, President
Hancock County Chamber of Commerce
Bay St. Louis, Mississippi.

Dear Mr. Voigt:

In order to spread an interest in the development of our town and county and to stimulate the imagination of the citizens of Hancock County along the lines of civic mindedness, we propose that the Chamber of Commerce sponsor an annual contest with cash awards to be made as follows:

A first prize of \$300.00 to be awarded the person submitting the best idea which, in the opinion of a group of judges, if adopted would contribute toward the economic, cultural, or social development of Hancock County;

A second prize of \$200.00 and a third prize of \$100.00 for the second and third best idea, respectively.

We further propose that the \$600.00 in prize money be collected from the business firms in Hancock County on the basis of an assessment to be determined by a committee appointed by your organization. We think that such a contest should be an annual affair; that the close of each year's contest should be November 15; that the prize money should be distributed on December 20; that the contest should be open to everyone; and that the award be made on the basis of the value of the idea only.

You may rest assured that should the Chamber of Commerce see fit to adopt this idea, you may count on us for a prompt remittance of our assessment.

Yours very truly
MONTI-CARVER PLUMBING COMPANY.

Monti-Carver express the hope that their proposal will be given consideration by the Chamber of Commerce. This company believes that such a contest will make the public mindful of the fact that each and every citizen can and should take an active part in the development of his community.

FLEAS WIN OVER FLIES IN ANNUAL CLASSIC; SCORE 18-7

Over 2,000 Witness Game

Last Sunday afternoon the twenty-ninth annual Flea-Fly classic climaxed all football activities of the little fellows at Saint Stanislaus impressively, 18-7. One hundred and six young footballers took part in the affair which turned out to be one of the most interesting games on the local gridiron this past season.

Clayton Barree, son of Mr. and Mrs. Emmanuel Barree of Algiers, Louisiana, was the captain of the game by virtue of the fact that he led the rest of the boys in the sale of tickets for the contest. Other captains of the different teams were: Paul Davidson, of New Orleans, Squad I, Flies.

Alan Cangelosi, of New Orleans, Squad I, Flies.

John Henry Weston of Bay St. Louis, Squad II, Flies.

Over 2,000 witnessed the game.

John B. Favre, 101, Dies At Kings Daughters Hospital

Death claimed the oldest citizen and last Confederate Veteran of our County when John B. Favre, nearing his 101st birthday, died at the Kings Daughters Hospital on Thursday, November 29th in the late afternoon.

A community is always shocked at the death of the young but this community was equally shocked at the death of Mr. Favre because no one ever associated him with death. He had retained his faculties almost to the end. His keen eyes twinkled when he talked of the past and was wont to say "Ask me what you want to know today for tomorrow I may forget." He had a keen sense of humor and loved a good joke. He was very fond of music and his favorite song was "Bonnie Blue Flag."

Mr. Favre was born in Bay St. Louis on Dec. 22, 1844 and moved to Waveland with his parents when 8 years of age. At 18 he enlisted in the Confederate Army and said he never left the state until discharged. He served under General Steele and Captain Pottevant and fought at Grenada and in the battle of Vicksburg. He saw Waveland grow from a village of the Bourgeois Settlement and five beach residences to an incorporated city, and loved it. He saw it through the Civil War, Spanish-American War, World War I and lived to see the Victory at the end of World War II. When his family wanted to give him a party on his 100th birthday he said "Wait until my grandsons come home from the service and we'll all have a big celebration together." But he died before they came.

His keen interest in life and in people was evident to the end. His funeral was held on Saturday, December 1st at 2 p. m. from the home 133 Coleman avenue with the rites of the Catholic Church, at the home, at Our Lady of the Gulf Catholic Church and at the Waveland Cemetery where he was interred. Rev. Father William Clark officiated and the pallbearers were Dan Chadwick, Sidney Gonzales, Walter Carver, Paul Fayard, Frank Dunlin, Chris Schaffer.

Mr. Favre leaves a daughter, Mrs. John Mazarakis, a son Alphonse Favre and numerous other relatives. Sympathy is extended to the family.

Frank J. Martin, 67, died at his home in Julia Street on Thursday, November 29, at 4:10 P. M. following an illness of two weeks. Mr. Martin was a native of Point La-hache, La., but had made Bay St. Louis his home for twenty-two years. He owned and operated Martins Club here for a number of years.

His body was taken from the Fahey Funeral Home by hearse to New Orleans on Friday at 10 A. M., and his funeral was held from McMahon's Funeral Home on Saturday at 10 A. M., with a Requiem Mass at Sacred Heart Church. Those serving as pallbearers here were Mr. A. Phillips, Sr., John Egloff, John McManus, Joseph January, A. D. Benvenuti and Leon Green.

He leaves his wife the former Miss Nellie Daley, three sisters, Mrs. John Garcia, Mrs. Robert Carriere and Mrs. Kate Martin and a brother J. N. Martin, all of New Orleans. Deep sympathy is extended to Mrs. Martin.

Hancock County Chamber Of Commerce Meeting

The Hancock County Chamber of Commerce now with a membership of 95 and the early prospects of 115 will hold a regular meeting Thursday night at 7:30 p. m. in the new Gulf Chevrolet Building on South Beach and Court Street, owing to the fact that the high school auditorium will not be available.

Permanent quarters of the Chamber are to be in the Gex Building on Main Street and at this time the building is being redecorated inside and out and a very attractive sign will be displayed over the entire width of the structure.

Plans are being formulated by your Chamber to balance industry with Agriculture and the entire body are pledged to work to this end so that Hancock County will eventually come into its own. PAYROLLS ARE WHAT WE NEED AND PAYROLLS ARE WHAT WE WILL GET.

A Start In The Right Direction

The Beach Boulevard at Highway 90 is hardly recognizable. The Mayor and Commission Council have had their street crew clean the mass of kudzu vines that have infested this spot, and to trim the shrubs that have prevented a clear vision to the approach to the bridge. This is a start in the right direction and we hope that it will not stop with one spot, but that they will follow through along the beach front, and if it is possible drop into some of the other streets. We should have our civic pride stimulated a little, and try to keep Bay St. Louis looking spic and span. It is an easy task if every one will join in the movement, and keep their particular part in good shape, and occasionally add a shrub or plant that will help to beautify.

To Attend M. P. H. A. Meeting

Dr. C. M. Shipp, president of the Mississippi Public Health Association, leaves for Jackson Sunday afternoon to preside at the three day meeting beginning Monday, Dec. 10.

The Hancock County Health Dept. will be closed on December 10, 11 and 12 because of the meeting.

Dr. C. M. Shipp, Hancock County Health Officer, has just been relieved of his extra duty as acting Health Officer of Jackson County by the return of Dr. Hedneg from the armed forces.

Dr. Shipp took on this added burden about 18 months ago and devoted two days a week to the Pascagoula office. He will now be able to devote his full time to Hancock County again.

S. J. A. Parents Club Working For Motion Picture Projector

At the regular meeting of St. Joseph Parents Club, held at the Convention on Tuesday afternoon, Mrs. E. J. Arceneaux, presided and her officers, Mrs. Leo Ford, V. P., Mrs. T. F. Monti, Treasurer, Mrs. B. F. Hille, Secretary, were at their places beside her.

After opening the meeting with prayer led by Mother Blanche, Superior, the Club presented Mother with a check for \$250 to be used towards the purchase of a motion picture projector equipment for use in the classrooms. Mother stated that there was no definite date of delivery for this equipment, nor a stipulated price as yet, but knew it would be in excess of \$500.00. The members pledged the club to continue their efforts towards a fund for this projector.

The results of the fruit cake award were \$40.00 netted with Mrs. Chas. Breath, Jr., the lucky contestant. The large fruit cake which was displayed in Mauffray's Dry Goods Store window was made and donated by Mrs. F. R. Curran.

Sister Cornelius told the members that the annual Christmas play which the school body usually presents would be held, but no date had been selected as yet.

Mrs. Arceneaux read a letter giving the name of a nine year old orphan girl who will be the recipient of the club's Christmas box, and appointed Mrs. Lucien Gex who has taken care of this activity for a number of years in charge of collecting gifts for the little girl.

The ladies were reminded to continue to endeavor to get memberships in the club and Mrs. T. F. Monti volunteered to head this activity.

At the close of the business meeting, hot chocolate and cake were served by the hostesses for the day, Mesdames F. R. Curran and G. F. Stevenson.

ORTTE THEATRE SUNDAY - MONDAY "BEWITCHED"

One of the most fascinating motion picture entertainments in a long time comes to the Ortte Theatre screen. It is "Bewitched" a new Metro-Goldwyn-Mayer attraction, and it stars Phyllis Thaxter, young lady who stole your heart as Van Johnson's sweetheart in "Thirty Seconds Over Tokyo."

Miss Thaxter, and a fine cast including Horace McNally, Edmund Gwenn, Henry Daniels, Jr., and many others, provide a thrilling hour-plus in "Bewitched." This is a strange story of a girl who discovers to her horror that she has a dual personality. She lives two amazing lives, one as a darling of society; the second, as a cruel killer.

"Bewitched" is indeed a unique picture, one that will catch and hold your interest every minute of its running time. It stems from Arch Oboler's highly successful radio play, "Alter Ego," which was heard by millions of thrilled listeners. Oboler himself directed the picture, which was produced by Jerry Bresler.

Make sure to see "Bewitched." You'll agree it's a different kind of movie, an unusual film adventure that will keep you enthralled.

EIGHTEEN STUDENTS FROM LOCAL BANDS SELECTED FOR STATE BAND CLINIC

Mrs. Louis B. Pate Will Accompany Soloists In Hattiesburg

Nine Members of the St. Stanislaus Band and nine members of the Bay High Band have been selected for the Mississippi State Band Clinic. This number represents quite a large percentage of the students selected from the class "C" bands throughout the state. Our local band directors should be proud of this for it is proof that the standards of musicianship met by the students of their bands rate very high with the officials of the Mississippi Band and Orchestra Directors' Association.

The following students have been selected for the Clinic: St. Stanislaus—Edward Steiner, J. H. Bonck; Bay High—Sam Hardwick, John Dupaqueur and Pierre Dupaqueur. In the Reading Band will be St. Stanislaus—J. T. Lanasa, Norman Carnovale and Norbert Carnovale; Bay High—Grady Parker and J. H. Johnston. The Marching Band will be represented by: St. Stanislaus—James Fayard, Robert Schacht, Richard Curran and Joseph Fasola; Bay High—Ethel Schindler, Mollie Fayard, Mary Casey and Jimmy McDonald.

One of the interesting events of the Clinic will be the solo and ensemble contest staged for the clinic students. All local students going to the clinic will take part in this event. St. Stanislaus will enter a Bb Clarinet Quartet and a Trumpet Trio. The experience that will be derived from this solo and ensemble contest will prove most valuable to these young musicians as a preparation for the State Solo Contest in the Spring.

Mrs. Louis B. Pate, well known concert pianist, will have an active part in the Mississippi Band Clinic. She will furnish the piano accompaniment to the instrumental solos which will be played by the local students who have entered the solo contest in Hattiesburg. Mrs. Pate has always shown a keen interest in our local music organizations. Her generous and cheerful cooperation is greatly appreciated. Whenever called upon to help, she never hesitates to respond generously by offering her time and talent gratuitously. There is no doubt that with the assistance of such an experienced and efficient accompanist as Mrs. Pate, the rendition of these soloists' selections will be greatly ameliorated and will contribute much toward the achievement of a higher rating, for it is a well known fact among musicians that the accompanist "may either make or break" the reputation of a soloist.

The Clinic will open officially at eight o'clock Tuesday night, December 11 with the rehearsal of the Concert Band under Mr. William D. Revelli. On the night of Thursday, December 13, an elaborate show will be staged by the Marching Bands. The Clinic closes on the night of December 14 with a formal concert by the Concert Band. The students will be housed at Mississippi Southern College. The officials of this school have graciously turned over the use of their dormitories for the clinic students. Mr. Roy Martin, Director of the Greenwood High School Band, is chairman of the clinic.

1946 Taxes Are Now Due And Payable

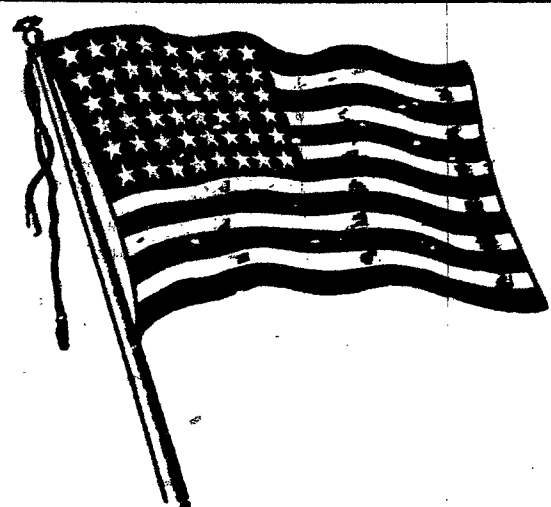

The Tax Rolls for the year 1945 have been delivered to the Sheriff and Tax Collector, and Sheriff John A. Egloff and his office force are presently very busy making up receipts. He is working with a view of having all of the real estate receipts made up prior to the heavy rush of tax paying that usually takes place in January. Under this plan of having the real estate receipts made up there will be little delay and no long waits in the Sheriff's office when you come to pay your taxes.

Taxes for the year 1945 will become delinquent after February 1, 1946, at which time a penalty of one half of one per cent per month interest is affixed.

Under the existing laws for a person to be qualified to vote it is necessary to have two years poll taxes. The poll tax must be paid in the year in which they are due. In order for a person to vote in the primary elections of 1947 it will be necessary for them to have poll taxes for the year 1945 and 1946. It is necessary that poll taxes be paid this year in order to vote in 1947, so may we suggest that you pay your poll tax on or before February 1, 1946 in order to be qualified to vote.

ON THE JOB

PETE Martin's story of Little Doc Blanchard in the Saturday Evening Post of December 1st, was a splendid tribute to this young man who spent his high school days at St. Stanislaus. It was also a tribute to this boy's father Dr. Felix Blanchard, a graduate of the class of 1915 of St. Stanislaus, whose memory we all cherish.

In his article, the author pictured the life of this young man at West Point and the early training that he had received at Stanislaus. He gave much credit to Stanislaus, but when mentioning the location of the institution he made the error of referring to our beautiful little City as Bay City, Mississippi instead of Bay St. Louis, Mississippi, and did he stir up a hornets nest. Telegrams from the Chamber of Commerce, and many individuals made their way to the office of the Editor of the Saturday Evening Post, and in reply to the Chamber of Commerce, Pete Martin said and we quote: "My Face is as red as a boiled lobster. Had honestly hoped to give Bay St. Louis and Stanislaus a boost until I went to sleep at the switch. Will ask that correction be made."

We think that the boys hereabout were on the job when they called attention to the error, and in the future we should not lose an opportunity of securing as much publicity as possible for Bay St. Louis. We should let more people know what possibilities we have. We should let them know that this is a land of opportunity.

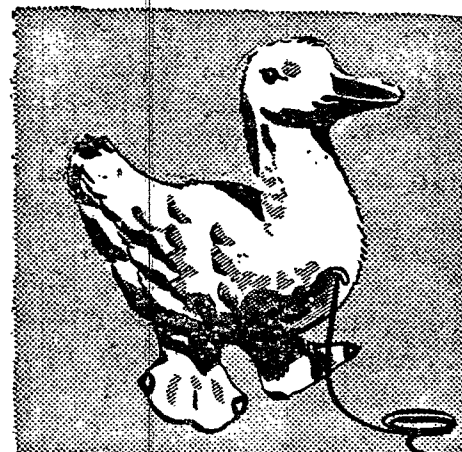

RELIGIOUS EDUCATION

A SUPERIOR Court Judge has ruled that the Chicago Board of Education's practice of releasing pupils from School to attend religious education classes "is in direct conformity, rather than in opposition to the Constitution's Bill of Rights."

As we understand the scheme, students are permitted to attend the churches of their choice for the purpose of receiving religious instruction. While it may be possible for the children to receive some instructions at home and on Sundays, certainly there is no risk in allowing them to have the opportunity of receiving religious instructions on week days.

A plan should be worked out whereby every child in school could receive his religious education. The Pastors of the respective denominations could be named the head of the various religion classes in the schools and then the teachers of the various denominations could assist in the teaching of these classes. Children would be allowed to attend the religion class of his or her particular denomination. This certainly would be a method of encouraging religious living and belief. It would redound to the spiritual benefit of the child and tend to offset the teaching of materialism that has become so embedded in our school systems.

WARNER BROS.' FILM HIT, "THE CORN IS GREEN" AT A. & G. SUNDAY-MONDAY

Terse with powerful drama, starring Bette Davis at her best, Warner Bros.' latest emotional treat, "The Corn is Green," which opens Sunday at the A. & G. Theatre, is a Grade-A piece of entertainment providing the celebrated screen star with a role the like of which has twice before won for her an Academy Award. Transformed from a Broadway stage hit to a compelling motion picture, perfect in every detail, "The Corn

Is Green" tells the story of a high-spirited Englishwoman's struggle to raise the educational standard of the impoverished miners of Wales at the turn of the century, and has flavor and substance that leaves a deep impression. Tender with poignant moments of sadness and joy, the film is a moving tribute to all men and women of good will who will have fought for tolerance throughout the ages.

As Miss Moffat, Bette Davis brings to the screen a new and different personality and makes a memorable screen portrait of the courageous school teacher who discovers in an untutored young coal miner, Mor-

gan Evans (John Dall), the spark of genius which marks him for greatness. Hers is the struggle that leads to his development and hers is the pride in his growth. His climb, from a clapped schoolroom to the coveted spires of Oxford University, belongs to her—as does the heartache and loneliness so exclusive to those who struggle alone against the sometimes ignorant conventions of life. Miss Moffat's prize achievement is realized when she convinces Morgan that his is a gift that belongs, not to a flirtatious hussy, (Joan Loring) but to the world.

Under the able directorial guidance of Irving Rapper, "The Corn Is Green" has been molded into a motion picture with universal appeal.

NEW INDUSTRIES

The Agricultural and Industrial Commission, with offices in the New Capitol, is extending the industrial development of Mississippi. Elections for bond issue to encourage manufacturing plans have been ordered in a number of towns; and all have been approved. This means new payrolls for the state.

Governor Thomas L. Bailey was a guest speaker last week at the National convention of the Attorneys General in Jacksonville, Florida. Gov. Bailey is reported as speaking strongly in favor of certain rights and privileges being reserved to the states as the best way to handle conditions peculiarly local to the respective states.
